Mayor's message

It gives me great excitement to deliver the LEC 2022 program with a great line-up of shows kicking off in February.

While half of 2021 saw our LEC operating as a COVID vaccination hub we can now look forward to reopening as a live entertainment venue.

We're very excited to announce that Logan Entertainment Centre (LEC) has merged with other Council-run arts and entertainment centres to become Logan Arts.

This means you can expect the same great shows at LEC together with an even greater range of arts, culture and heritage offerings across the City of Logan.

We look forward to welcoming you to spectacular live entertainment in 2022.

The LEC is a place where wonderful experiences are shared - musical theatre, drama, dance, music concerts, and comedy.

I invite you to come and share the LEC experience.

Over 150 years ago, 13 brave Aboriginal men in Western Victoria picked up their cricket bats and embarked on a treacherous voyage to England and into the unknown all in the name of sport. Risking illness and persecution, Australia's first international cricket team - including Australia's first Indigenous sporting hero, Johnny Mullagh - amazed the English crowds with astonishing talent, personality and grit. They should have returned to Australia as celebrated heroes. Instead they came back to find the world they once knew was no longer there.

This is not just a story about cricket - this is story of strength, resistance, hope and possibility.
