Please consider adding an additional \$5+ to your ticket purchase of *The Very Hungry Caterpillar Show* to enable a less fortunate child to also attend this performance.

Logan City Council works with a number of community groups who would significantly benefit from attending live theatre performances.

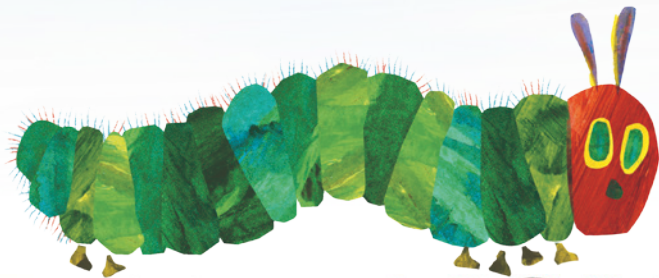

Attending children's theatre supports the development of verbal and non-verbal communication skills, self-esteem, creative thinking and empathy in young children.

With your assistance, these young members of our community will have the opportunity to access the joy of theatre.

Simply let the box office know that you'd like to participate when you purchase your tickets or use the option that is available when purchasing online.
