

SEASON PROGRAM

August 2019 to
March 2020

WELCOME

Now is an exciting time for growth and change in Logan so we're keeping things fresh with a selection of new performance works and this new-look show guide!

As part of the fast-growing South East Queensland region, we've selected a lively arts offering to appeal to our city's vibrant and varied communities. Read on to discover a diverse program that offers music, dance, theatre and plenty for the kids.

If you enjoy dance in any form, you'll be inspired by the exciting one-man play *100 Years of the History of Dance*.

Our feature drama, *The Longest Minute* is a quintessentially Queensland tale of a football-loving family that challenges us to 'dare to believe'.

A wonderful selection of classic children's stories will come to life – Mem Fox's enchanting *Possum Magic*, *Roald Dahl's 'The Twits'*, and Eric Hill's loveable *Spot*. There's also a singing workshop for youngsters and the chance to join MZAZA in concert on the LEC stage.

And for those who love songs from today, yesterday and around the world, *Lady Beatle* features the Beatles' biggest chart toppers while *The Sapphires* brings classic soul hits within a heart-warming true story.

Our Merry Melodies program continues with morning tea, music and dance including a special *Swingin' Christmas Show*.

Whether a long-term supporter of LEC or a newcomer, we hope you'll find something inspirational in the experiences on offer.

Tina Wittke and Kari Van Leeuwen (venue managers)

AN UNFORGETTABLE
EXPERIENCE

100 YEARS OF THE HISTORY OF DANCE

Bursting at the seams with fascinating facts, naughty stories and dance moves to die for, Directed by Emma Canalese and performed by Joseph Simons, *100 Years Of The History Of Dance As Told By One Man In 60 Minutes With An Energetic Group Finale* follows Jacob, a schoolboy presenting a report on the topic of his own choice. Not to be extra or anything, but Jacob has decided to cover 100 Years of the History of Dance!

Exploring the lives of influential choreographers including Martha Graham, Merce Cunningham, Bob Fosse, Roudolf Nureyev, Pina Bauch, Gene Kelly and Paula Abdul, Jacob not only talks about them, but demonstrates their signature style at the same time! As he prepares, Jacob ponders the difference between 'influence' and 'plagiarism' and begins to question his own legacy...

POSSUM MAGIC

For more than 30 years, Mem Fox's *Possum Magic* has captivated and enchanted young people all over Australia.

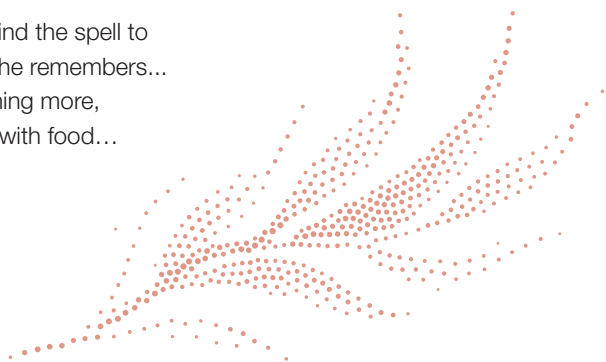

Grandma Poss loves making magic. She makes wombats blue and kookaburras pink. She makes dingoes smile and emus shrink. But one day, when danger arrives in the form of a snake, Grandma uses her most magical spell to make Hush invisible. Hush has many wonderful adventures. But being invisible isn't all it's cracked up to be, and Hush longs to see herself again.

One problem. Grandma Poss can't find the spell to make Hush visible again. And then she remembers... this particular magic requires something more, something special, something to do with food... people food.

Recommended age group: 3-8 years

ROALD DAHL'S THE TWITS

Mr and Mrs Twit, are the most horrible people to ever live! They spend their days playing dirty tricks on each other. Mrs Twit puts worms in Mr Twit's spaghetti – yuck! Mr Twit convinces Mrs Twit that she has the dreaded shrinks – how mean! Insults are flying left, right and centre in a tag game of revenge and out-and-out-trickery that is never ending.

Meanwhile, Muggle-Wump, a poor little monkey, is held captive by Mr Twit. Obsessed with putting on The Great Upside-Down Monkey Circus, Mr Twit relentlessly trains Muggle-Wump to perform death defying stunts, punishing the monkey as he sees fit. Poor little Muggle-Wump!

But! Fate changes for Muggle-Wump with the arrival of Roly-Poly, a glorious bird full of grace and pomposity. Together, they devise a plot to secure Muggle-Wump's freedom and punish The Twits forever.

“Stories are good for you.”

Roald Dahl said, **“If you have good thoughts they will shine out of your face like sunbeams and you will always look lovely.”**

CHILDREN'S FESTIVAL

BRAINBUZZ

Have you ever wondered if you can fly without wings? Catapult a ball over a stadium? Or walk across quicksand? BrainBuzz Live is the stage production of 9Go Kids' hugely popular science television show, where each episode sees two kids set a seemingly impossible challenge, sending hosts (Kellyn Morris and Clare Van Dorrsen) on a whirlwind investigation through science.

The show kicks off with demonstrations and experiments, illuminating the properties and principles of the final challenge. The investigation continues to dig further through stories, sketches, challenges, and games heading down a rabbit-hole of fascinating facts towards the end goal. Finally, it reaches a point where the Kell and Clare are armed with all the information they need to tackle the challenge head-on. With a final now-or-never test, they apply all the info they've gathered to see if they pass or fail the challenge!

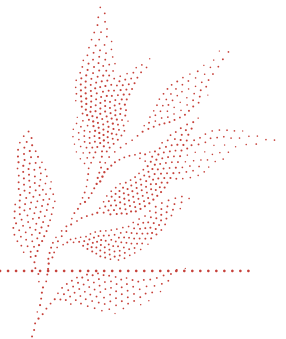

The stage version of the show ups the ante, setting its sights on FIVE challenges in 30 minutes. BrainBuzz favourite, Einstein is joined by Experimentary's, Dr Rob to make the impossible, possible. Whether they're attempting to manipulate the weather right in front of your eyes, showing you how to see music or launch their very own rocket, Dr Rob and Einstein will attempt the most unimaginable feats of science. And despite Einstein (occasionally) demonstrating exactly what not to do, his bumbling blunders and general buffoonery, will play a very important role in pointing Dr Rob in the right direction.

Will they pass or fail? You be the judge.

Suitable for ages 5 to 12 years.

NOT TO BE MISSED

THE LONGEST MINUTE

By Robert Kronk & Nadine McDonald-Dowd

Where were you the night of the 2015 NRL Grand Final? The night when long-time underdogs, the North Queensland Cowboys, won in an all-QLD nail-biter that changed the game, and the state, forever. For one family of Cowboys diehards, their whole lives have led up to this moment.

Jess was born on the night of the North Queensland Cowboys' first game in Townsville. Daughter of Foley Shield legend Frank 'Black Flash' Wright, she grew up as a footy fanatic with big dreams, silky skills and boundless ambition to play. But as a girl in a male-dominated sport, she faces more than her fair share of knockbacks, just like the luckless Cowboys. Despite their relentless string of losses, Jess still dares to believe in her team, and herself.

Queensland Theatre joins forces with debase productions and JUTE Theatre Company to bring this iconically Queensland story to audiences across the state.
