A Tribute to Linda Ronstadt & Friends

Friday 20 February 2026, 11 am

Linda Ronstadt's career was blessed by not only talent, but by chance and location. Along the way, she ended up working with some of the biggest names in music, transforming many of their songs into her own.

Linda epitomised the LA music scene in the late 60s and 70s, along with artists like Crosby, Stills, Nash & Young, Jackson Browne, Joni Mitchell, Bonnie Raitt and James Taylor. They lived, hung out, wrote songs, and performed at all the iconic clubs in the Laurel Canyon area of Los Angeles, California. It was a happening scene!

Linda's path time and again has been forged in service of songs she wanted to sing, and authentic emotions she wanted to share. A consummately talented vocalist initially greeted in the record business as little more than just another pretty face, she moved effortlessly from folk-rock through to Southern California country rock as a solo artist to a hit-after-hit decade in the '70s during which she became arguably the most important female singer in rock.

Featuring songs by **Linda Ronstadt, The Eagles, Jackson Browne, Crosby, Nash, Stills, and Young, Bonnie Raitt, Joni Mitchell, James Taylor, Neil Young, Warren Zevon** and more.

BABBA ABBA

Friday 14 August 2026, 11 am

BABBA is the most exciting and musically accurate tribute to **ABBA** in the world. In a spellbinding performance of all the hits, *BABBA* takes you on a musical journey that will have you on your feet uncontrollably.

Since 1994, *BABBA* have performed all over Australia, Asia and New Zealand to sold-out audiences and rave reviews. Benny, Bjorn, Agnetha and Frida have returned (with the help of a cryogenic freezer and some cosmetic surgery) to transport you back to the 70s with a show full of humour, great costumes, Swedish accents and fun-filled dance floor action.

BABBA is the only ABBA tribute band in the world to have performed for Benny Andersson of ABBA, which happened in Hong Kong in December 2019. One of our most memorable nights ever!! A huge honour and endorsement of the quality of this act.

ABBA's music is some of the most beautifully crafted and arranged in the world, it deserves to be presented this way.

*Presented by Logan Entertainment Centre
and Pearl Home Care.*

“ **Dare I say it... As good as ABBA.** ”

Do You Know the Way to San Jose

The best of Burt Bacharach and Hal David

Friday 18 September 2026, 11 am

A thoughtful and heartfelt homage to the chart-topping songs of **Hal David** and **Burt Bacharach**, both responsible for one of the greatest American songbooks of the 20th Century.

Widely considered one of the most successful partnerships in music history, Hal David and Burt Bacharach began their collaboration in 1957 after meeting in New York City's legendary Brill Building. Within twelve months, their songs had entered the U.S. music charts. By 1961, following their collaboration with pop star Dione Warwick, they enjoyed a string of number one hits. The duo continued to create music together until 1973, when they parted ways and continued to sustain successful solo careers, often co-writing with other songwriters.

Join us for a morning of expertly and lovingly delivered songs by the great hit makers, Hal David and Burt Bacharach. An exceptional 7-piece live band, together with three incredible vocalists, **Renae Suttie** (Kitty Kats), **Chris Herden** (Good Morning Vietnam, Music from the Vietnam War Era) and **Ella Macrokanis**.

Presented by Wild Goat Entertainment, Sharp Eleven, Logan Entertainment Centre and Pearl Home Care.
